

Account deletion instructions for Friday: AI E-mail Assistant

This page explains the steps you should take to request deletion of your account in our mobile application Friday: AI Email Assistant.

To request deletion of your account, please send your request to support@safecalls.live. After verification of your request, we will delete your account, including your user profile, email address and email messages.

To learn more about our privacy practices, including the types of data that are deleted or kept, and any applicable retention period, please read our privacy notice available at <https://friday-email.ai/PP.pdf>.
